HEALTH & SAFETY POLICY

Jazz Home Haulage Spring Show, run by Rotorua Show Jumping Group (RSJG), is committed to providing and maintaining a safe and healthy event for all staff, and to providing the information, training and supervision needed to achieve this.

We will take all practicable steps by:

- Providing a safe event, safe equipment, and proper materials.
- Identifying and monitoring hazards and using the hazard management hierarchy of *eliminate, isolate, or minimise*.
- Insisting upon establishment of safe methods and best practices.
- Complying with all H&S legislation, regulations, and codes of practice. **NOTE:** NEC H&S policy specifically states that horses must not be tied up to trucks or floats at any time.

We will take responsibility for health and safety procedures, however, **ALL PEOPLE ON THIS SITE** need to be aware of their responsibilities and comply with the event's health and safety policy. **EVERY PERSON** involved in Jazz Home Haulage Rotorua Spring Show is encouraged to play a vital and responsible role in maintaining a safe and healthy event through:

- Being involved in the event health and safety system.
- Following correct procedures.
- Ensuring safe and proper use of equipment.
- Wearing protective clothing and equipment as and when required.
- Reporting any pain or discomfort as soon as possible.
- **Ensuring ALL accidents and incidents are reported to the Health & Safety Officer** at the Office.
- Helping new employees, trainees, and visitors to understand the safety procedures and why they exist.
- **Informing the office immediately of any health and safety concerns.**
- Keeping the event facilities tidy to minimize the risk of any trips and falls.

COMPETITORS are responsible for themselves at **ALL times** and must observe the safe practices and the rules/instructions relating to their competition.

In case of a fall of an athlete and/or horse at any time in the competition arena, in the practice arena, or elsewhere within the grounds of the event, the athlete must be checked by the event's medical service and the check recorded on your event medical check card before you are permitted to take part in the round in progress or in the next round or competition at the event (Article 224). The card must remain in your pocket and be presented to the gate steward or ground committee before continuing to compete. The horse must be cleared by the Veterinarian or President of the Ground Jury and one other official if the Veterinarian is not available, before the equine is permitted to take part in the next round or competition at the event (Article 224).

Jazz Home Haulage Rotorua Show Jumping show complies with the ESNZ concussion policy. Riders who have a suspected concussion will be **removed from the event**. Riders who are concussed are often unaware of their symptoms and may want to continue riding. The Ground Jury at the event takes responsibility for the rider's wellbeing, assesses the rider and makes an informed choice about whether the rider should continue to ride or not – if any doubt the rider must be removed from the event as per the **Blue Card process** (outlined below). ESNZ's Blue Card process has been developed to keep riders safe and to support officials in their duty of care.

Blue Card process:

- Officials can exclude a rider from participating in a competition or entire event by issuing a Blue Card because the rider has received a serious injury, including concussion or suspected concussion.
- If a rider issued with a Blue Card at an event refuses to withdraw from the event, disciplinary action may be taken through the disciplinary process set out in the ESNZ general regulations.
- The Blue Card notice is logged on a rider's profile on ESNZ's database.
- A Blue Card means that a rider is stood down from all riding activities until clearance from a registered GP or registered medical specialist can be obtained.
- If a rider who has been issued with a Blue Card competes without first providing medical clearance, this may result in disciplinary action taken through the ESNZ disciplinary process set out in the ESNZ general regulations.

**FOR ANY INFORMATION ON HEALTH AND SAFETY AT ANY TIME PLEASE CALL THE
EVENT HEALTH AND SAFETY OFFICER**
