A2 (TA2) 238.2.1 = 1 x Timed Round. Winner is the quickest time and least penalty points. No Jump off

Two Phase 274.1.5.3 = A competition which is run without interruption. The finish flags for the first phase are the start flags for the second phase, those who go clear continue into the jump off without stopping. The bell will ring to signal the round has finished if there has been a fault. The second phase of the competition is a timed jump off. The winner has the fastest time with the least faults.

Beginner Pony/Green Hack Ring = One round judged on style of rider and pony and the other is an optimum time round. This is to encourage a steady speed at this height rather than going against the clock.
