About Us

Show Jumping Canterbury is a small but passionate committee with a big love for equestrian sport. Each season, we bring together riders, horses, and supporters from all over the South Island to compete in three of New Zealand's biggest ESNZ Show Jumping and Show Hunter shows, all held at the beautiful Dunstan Horsefeeds National Equestrian Centre at Mcleans Island.

Our team of dedicated officials and volunteers work hard to create well-run, welcoming events where the thrill of top-level competition meets the friendly, down-to-earth spirit of our local community.
