- Providing a safe event, safe equipment, and proper materials.
- Identifying and monitoring hazards and using the hazard management hierarchy of eliminate, isolate, or minimise.
- Insisting upon establishment of safe methods and best practices.
- Complying with all H&S legislation, regulations, and codes of practice. We will take responsibility for health and safety procedures, however, ALL PEOPLE ON THIS SITE need to be aware of their responsibilities and comply with the event's health and safety policy. EVERY PERSON involved in our show is encouraged to play a vital and responsible role in maintaining a safe and healthy event through:
  - Being involved in the event health and safety system.
  - Following correct procedures.
  - Ensuring safe and proper use of equipment.
  - Wearing protective clothing and equipment as and when required.
  - Reporting any pain or discomfort as soon as possible.
  - Ensuring ALL accidents and incidents are reported to a Health & Safety Officer at the Office.
  - Helping new employees, trainees, and visitors to understand the safety procedures and why they exist.
  - Informing the office immediately of any health and safety concerns.
  - Keeping the event facilities tidy to minimise the risk of any trips and falls.

COMPETITORS are responsible for themselves at ALL times and must observe the safe practices and the rules/instructions relating to their competition. In case of a fall of an athlete and/or horse at any time in the competition arena, in the practice arena, or elsewhere within the grounds of the event, the athlete must be checked by the event's medical service (or by a medical doctor if the medical service is not available) before he/she may be permitted to take part in the round in progress or in the next round or any competition at the event, respectively the horse must be cleared by the Veterinarian or President of the Ground Jury and one other official if the Veterinarian is not available, before it may be permitted to take part in the next round or any competition at the event

Central Districts Show Jumping Group complies with the ESNZ concussion policy. Riders who have a suspected concussion will be removed from the event. Riders who are concussed are often unaware of their symptoms and may want to continue riding. The Ground Jury at the event takes responsibility for the rider's wellbeing, assesses the rider and makes an informed choice about whether the rider should continue to ride or not – if any doubt the rider must be removed from the event.
