Make sure items are well named – Full name, horses name, bridle number and what level you are competing. Class number is also helpful.
    USB's – You must have an ID tag on USB's that is clearly named and do not put unnamed USB's into plastic bags with details on paper as these can blow about and get mismatched. Advise at what point around the arena the music is to start from. E.g. start at P. Hand in your music to the caravan/float well before the class is due to start so they can be placed into class order prior to the class starting. (Not during the class competition).
