JUMPING RULE UPDATE – USE OF WHIP IN COMPETITION AND PRACTICE ARENAS

Horse welfare remains at the heart of jumping, and we must all do our best to protect our social license to operate (SLO).

There is an important change to the Jumping Rules effective 1 August 2025, which affects all riders.

Art. 243 Abuse of Horses Effective 1 August the rule is:

2.2(iii) The whip should never be used more than three times in total, in the competition arena or in the practice arena.

What does this mean and what will happen if a rider uses the whip more than three times in the competition or practice arena?

In the competition arena:

Ponies 1 August – 31 December 2025

Elimination if rider uses whip more than 3 times. Rider may complete the course.

Ponies from 1 January 2026

Elimination if whip used more than 3 times. Rider must leave the arena immediately.

Horses from 1 August 2025

Elimination if whip used more than 3 times. Rider must leave the arena immediately.

In the practice arena:

Ponies and Horses from 1 August 2025

If the whip is used more than 3 times, the rider will be issued with a verbal caution.

(Ref Jumping Rules Article 240 – Fines, Verbal & Official Warning Cards)

Youth Olympic Games

The 2026 Youth Olympic Games will be held in Dakar, Senegal, 31 October - 13 November 2026.

Equestrian at Dakar will be represented by Jumping, where 24 athletes will be invited, a maximum one from each nation, to compete individually and in regional teams.

In order for NZ athletes to be eligible for the Youth Olympic Games, they must achieve a Certificate of Capability, and the opportunity for this will be at Competition 3 of the World Jumping Challenge to be held in Christchurch 5-7 December and Auckland (Pukekohe) 19-21 December. This event will be held at a height of 1.20m-1.30m.

To be eligible to participate in the Youth Olympic Games, athletes must be below the age of 18 years during the Games and therefore must have been born between 14 November 2008 and 31 December 2011.

NZ's place is not guaranteed and is subject to final allocation by the IOC in April of 2026.

Due to the delayed timeframe in confirming a spot for NZ, we will continue with providing the opportunity for athletes to gain a Certificate of Capability in Competition 3 of the WJC. Communications will be going to the public to explain this.

FEI World Jumping Challenge

1. What is the World Jumping Challenge

The aim of the FEI World Challenge series is to offer athletes who, under normal circumstances, cannot take part in international competitions due to various factors (travel cost and distances for example), the opportunity to compete internationally without having to leave their own country. These "hybrid" competitions are meant as a bridge between the National and first International level of competition with the aim of helping NFs develop the various disciplines in their country. (FEI World Challenges exist in Jumping, Dressage, Eventing, Vaulting, Driving and Para Dressage.)

The WJC is open to all Athletes from the beginning of the calendar year in which they reach their 14th birthday. Athletes may ride more than one Horse, but the results of only one Horse will count. A Horse may compete with only one Athlete. Athletes and Horses participating in the FEI Jumping World Challenge do **NOT** need to be registered with the FEI.

Athletes having participated at more than 3 International Jumping events in competitions at 1.35m and higher in the same year are not allowed to compete.

2. Our participation in the WJC

NZ will be participating in Category A : 1.20-1.30 m, with competitions in both the North and South Island. The riders of the FEI Jumping World Challenge are competing over the same courses using the same arena size (65 x 45 m) and designed by a Course Designer appointed by the FEI. Best two scores from competitions one, two and three are counted towards the final result.

North Island

Competition 1: 16-18 Oct - Poverty Bay A&P (Poverty Bay Showgrounds)

Competition 2: 21-23 Nov - Brookby Showjumping (Papatoetoe Pony Club)

Competition 3 (Final & YOG): 19-21 Dec - Auckland Christmas Cracker (Pukekohe A&P Showgrounds)

South Island (2 competitions only)

Competition 2: 18-19 Oct - Otago Spring Show (Otago Taieri A&P Showgrounds Mosgiel)

Competition 3 (Final & YOG): 5 – 7 Dec - Canterbury Xmas Cracker (Dunstan NEC Chch)

Horses taking part in the FEI Jumping World Challenge competitions in their own country do NOT need to be registered with the FEI. Horses must be fully registered with ESNZ and have a Jumping Annual Start.

3. Officials

- The appointed FEI President of the Ground Jury can be of any Level, including FEI Level 1. All other judges can be National judges. **
- Two FEI stewards (Chief Steward + Assistant Steward) are sufficient for up to 20 entries. Two stewards is the minimum requirement. For more than 20 entries an additional steward is required for every 10 entries.
- The Farmtec timing devices used widely throughout NZ are acceptable.
- A FEI Vet Delegate (of any level) is required for the trot-up / inspection. List attached if you wish to source your own, or we can assist with vet contacts.
- Jump cups as per Jumping Rules. No special FEI requirement.

** Competition 3 requires one International FEI L3 Judge which the FEI will appoint and fund.

4. Competition Format

The WJC consists of 3 Competitions which will run under Table A, Art. 273.3.3.2, over two rounds either on the same day or over two days maximum.

- First round: Not against the clock.
- Second round: Against the clock. Starting order in 2nd round: reverse order of penalties in the 1st round; Athletes retain their drawn order in case of equality of penalties - No jump-off.

There will be two different course plans (Round 1 and Round 2) per Competition. All courses will be designed by a Course Designer appointed by the FEI.

The size of the arena is 65 x 45 meters. This must be outdoors.

It is not allowed for Athlete/Horse combinations taking part in the FEI Jumping World Challenge to jump or attempt to jump any obstacle which is part of the FEI Jumping World Challenge official course at any time prior to the start of the FEI Jumping World Challenge competition.

This applies to training and national competitions.

For this reason, the WJC needs to be the first class of the show.

5. Horse Inspection

All Horses must prior to participating in Competition pass a Horse inspection carried out by an FEI Veterinary Delegate.

The FEI Judge must be present, and the Horse Inspection must take place on the day preceding the Competition to allow for an eventual re-inspection, or early on the morning of competition, allowing time for reinspection if required.
