

Welcome to Kihikihi Eventing Training Day 26/10/25

We are very happy to be able to offer you a training day at the amazing facilities at the Kihikihi Domain.

Gate 1 will be open from 7am Sunday morning and the showjumping and cross-country course is available to walk from 7.30 am. Office will be open from 7.30 am.

Parking and Yards

You **must** have horses in a yard. Yards are help yourself, but please be considerate of others needing yards and park sensibly so everyone can fit in. There are **no tying horses** to trucks or floats at any time. **Please muck out and take manure and hay home with you** and leave your yard nice and tidy for the next event. ANY damage – please tell the office.

All riders will be allocated a start time, please keep to this so we can run the day smoothly. Please **print your back number** so it is easy for starters and others to see how the field is running. Draw should be out Friday prior to the event. You start with Show jumping and go straight to the cross country course.

Respect the grounds

Remember this is a public Domain so people will be walking the grounds - be mindful of them. The Showjumping and cross country will run Nicholson Glen and around the top polo fields. The cross country is set up so that you ride on the outside of the polo field. At no time do we want to see the riders on the actual polo field.

Guidelines

As per ESNZ rules riders must wear approved tagged helmets and back protectors - these must be worn at **all times** during your ride.

Those that have paid for an extra round will ride straight after the first round is finished. If the second round is a different height, the second round will also be timetabled with a second BN.

If you have 2 stops on any fence, please ride past it and go to you next fence so we don't hold up the field all day.

If you bring your doggy friends, please keep them under control and on a **lead at all times**. They are NOT to go on the polo field or Nicholsons farm.
