Rules and Conditions of entry:

This event is run under ESNZ Dressage Rules and General Rules and Regulations (effective 01 August 2024) in conjunction with NZPCA General Regulations.

NZPCA General Regulations 15.4 Working Rallies will apply.

The rider must be a financial member of NZPCA. Competition is open to all clubs and branches.

There are no age restrictions on riders, but they must enter at the level they are currently competing at as follows for Dressage: once a combination has 4 scores at a level that are >64% they cannot enter the level below.

Teams are 3-6 riders. Riders are permitted to ride two tests at the same level. Individual ribbons will be awarded for each class to 3rd place.

A rider who qualifies two mounts for an event may only ride both mounts if another club rider is not available and must have the approval of their Club President and the Organising Committee.

Club uniforms to be worn by all teams. Gloves compulsory. Hair must be in a hairnet or plaited ponytail.

Plaiting compulsory.

Whips are permitted. The length may be no longer than 100cm for pony riders and 120cm for hacks (including flapper).

Spurs are allowed unless specified on your test sheet.

All tests will be in 60m x 20m arenas. Callers are permitted.

Gear check must be completed prior to competing. If any gear is changed after a rider's gear check, the rider must re-present at gear check. Failure to attend Gear Check will result in elimination. It is up to the rider, team manager and guardian to ensure their gear is safe and compliant under permitted gear list under ESNZ Dressage Rules and NZPCA General Regulations.

A copy of the team draw will be sent to the Team Manager prior to the event and it is their responsibility to advise riders of their draw number and ride time.

Elimination will apply in the following circumstances:

- A Fall
- If you do not enter the ring within 45 seconds of the bell ringing
- If your mount exits the ring with all 4 feet

Elimination in one test does not prevent the rider from competing in subsequent tests. In the case of a fall, the rider must be checked and cleared by medic prior to remounting.

Team Score Calculation: Combinations can compete in a maximum of 2 classes at the same level. Points will be awarded for each class:

1st place – 10 points

2nd place – 9 points

3rd place – 8 points

4th place – 7 points

5th place – 6 points

6th place – 5 points

7th place – 4 points

8th place – 3 points

9th place – 2 points

10th place – 1 point

The best 6 overall points count towards the final team score. For example if Club A has 6 riders doing 1 test each then all 6 riders points will count towards final team score. If Club A has 6 riders doing 2 tests each they can drop 6 lowest 6 scores. If Club B has 3 riders doing 2 tests each then all of their tests will count towards final score. If Club C has 4 riders doing 2 tests each then they can choose to drop their lowest two scores.

The Organising Committee will form composite teams if required.

Final presentations will be held at the completion of all classes; the team must be presented in full uniform.

Kerry Currie Cup is awarded to the top Auckland Area Team.

Team placings to 3rd.

Individual awards to 3rd.

Protests can only be made by the Team Manager and accompanied by \$50 fee which will be refunded if upheld.

No dogs to be near the arenas. All dogs must always be on a leash and under control.

All rubbish, manure and hay must be removed from the parking area and taken home with you.

All teams, managers, coaches and supporters must adhere to the NZPCA Fair Play Charter and Code of Conduct.

Nominations for Auckland Area Team Spirit award to be made to the Organising Committee. This award will accept nominations throughout the season and be awarded at Area Prizegiving in May.
