** Team Competition This show we will be offering a Fun Team event. CASH ENTRIES ON THE DAY for this will be taken in the office on the day – before the start of the First Flatwork Class. Team Champion & Team Spirit Rosettes and great prizes up for grabs!

How it works: Get 3 riders of your choice together to form a team. Each Team must consist of two different level riders (eg on the Saturday 2 x Prep Level members and 1 x Novice Level Member). There will be Team Champion and Team Spirit awards presented at Prize Giving at the end of each day.
Each rider in the team must participate in the individual competition classes. The team score will be based on the individual Flatwork scores posted by each team member earlier in the day and plus a team relay EOH class to be run at the completion of the last class. The Team relay will have an EOH Course of 15 obstacles. The team must complete all 15 obstacles – each member of the team must complete 5 obstacles to be judged at the level they have competed in earlier in the day.
