RULES

1. The NZPCA Qualifying Rally Rules apply to all riders/competitors and their mounts.
2. The events are judged under ESNZ Jumping Rules which can be found on their website:
3. Competitors compete in programme order only. NIPCSJ Champs takes priority over the Taste of Champs classes, please let the Taste of Champs ring know if you are going to be delayed.
4. All mounts must have an ID tag on them while in the yards (horse/owner's name and contact phone number).
5. WAPC Will not perform uniform or gear checks. But we may do spot checks. Team Managers are responsible to present their riders/teams in the Club uniform and ensure riders are wearing yellow tagged safety helmets.
6. Any rider who has an injury or fall on the grounds during Champs (including warm up) is required to see the medic before remounting. The medic's decision as to whether a rider continues or not is final.
7. Team Managers are responsible in all aspects of communication, safety and conduct of their team riders, horses, equipment, supporters, and vehicles. They are WAPC's only point of contact with the team from when your entry is completed through to the conclusion of the event.
8. Reserve riders (draft/composite riders) are surplus to their own team requirements and cannot compete as individuals. All reserve riders will be allocated to composite teams at WAPC's sole discretion. Clubs unable to enter a team due to lack of numbers may put forward rider(s) as reserves. A reserve rider can be called upon to ride for their Club until 8am on the first day of competition BUT only with a medical, vet or farrier certificate for the outgoing rider/mount.
9. All changes to your team (riders or mounts) prior to the event are to be entered into EvoEvents. All changes after the draw has been done must be in writing signed by the Team Manager and must be delivered prior to 8.00am on the first day of competition.
10. The Aquarius Trophy will be engraved with the winning Club's name. If the winning team is a composite team, then all Clubs forming that team will have their names engraved on the trophy in order of riding members. If they are equal, then alphabetical order. Cost of engraving is borne equally amongst the winning Club/s.
