9. TIES series - please refer to the NZES website for conditions
10. Young Horse Style Classes - Judged on scope and potential of the young horses to become a top Show Jumper. Not an A1 class, therefore, a soft rail might place above a clean round. While we welcome great turnout, it's not compulsory to be platted. No kick boots allowed, and no bit restrictions. This is judged on the judge's opinion; if you are not ok with this, please consider another class option.
11. FEI World Challenge & Youth Olympic Qualifier - We are holding the Final Competition of the Nth Is World Jumping Challenge, which also incorporates the Youth Olympic Qualifying round for youths wishing to gain a MER (Minimum Eligibility Requirement) for YOG selection. To be eligible to participate in the Youth Olympic Games, athletes must have been born between 14 November 2008 and 31 December 2011.
All the riders in the FEI Jumping World Challenge are competing over the same courses using the same arena size (65 x 45m) and designed by a Course Designer appointed by the FEI. The best two scores from competitions one, two and three are counted towards the final results.
The Horse Inspection and formal trot up and best presented judging for the WJC will be held on 8am Friday Morning. All horses are required under the rules of the competition to be presented for this. All riders must present a formal horse ID at this time, e.g. have a National ID (downloadable from ESNZ Horse Reg), or FEI book if they already have one. Note, it is not a requirement to FEI register for this class.
