HEALTH & SAFETY

Show Hunter Waitemata in conjunction with Woodhill Sands Equestrian Centre is committed to providing and maintaining a safe and healthy event for all participants, supporters and spectators.

We will take all practicable steps by:

- providing a safe event, safe equipment and proper materials
- identifying and monitoring risks and hazards and using the risk management hierarchy of controls: eliminate, isolate or minimize
- insisting upon establishment of safe methods and best practices
- complying with all H&S legislation, regulations and codes of practice.

We will take responsibility for health and safety procedures, however, ALL PEOPLE AT THE EVENT need to be aware of their responsibilities and comply with the event's health and safety policy.

COMPETITORS will be responsible for themselves at **ALL times** by observing safe practices and rules/instructions relating to their competition.

Every person involved in an event run by Show Hunter Waitemata is encouraged to play a vital and responsible role in maintaining a safe and healthy event through:

- being involved in the event health and safety system
- following correct procedures
- safe and proper use of equipment
- wearing protective clothing and equipment as and when required
- reporting any pain or discomfort as soon as possible
- ensuring **ALL** accidents and incidents are reported to the Health and Safety Officer at the Office
- helping new participants, helpers and visitors to understand the right safety procedures and why they exist
- **informing the office immediately of any health and safety concerns, accidents, incidents or injuries**
- keeping the event facilities tidy to minimise the risk of any trips and falls.

In the case of a fall of a rider and/or horse at any time in the competition arena, the practice arena, or elsewhere on the grounds of the event, the rider **MUST** be checked by the event's medical service and the check recorded on the rider's event medical check card before a rider is permitted to take part in any further rounds or competition at the event. The card must remain with the rider and be presented to the gate steward or ground committee before the rider continues to compete. The horse must be cleared by a Veterinarian or President of the Ground Jury and one other official if a Veterinarian is not available, before the horse is permitted to take part in any further rounds or competition at the event.

Show Hunter Waitemata complies with the ESNZ concussion policy. Riders who have a suspected concussion will be removed from the event. Riders who are concussed are often unaware of their symptoms and may want to continue riding. The Ground Jury at the event takes responsibility for the rider's well-being, assesses the rider and makes an informed choice about whether the rider should continue to ride or not – if there is any doubt the rider must be removed from the event as per the Blue Card Process. The ESNZ Blue Card Process has been developed to keep riders safe and to support officials in their duty of care.
