

North Island Premier Showing Championships 2026

Welcome everyone to the North Island Premier Showing championships. The weather is looking good for the weekend and possibly HOT so please make sure you keep both yourself and your horses/ponies hydrated. We hope you all have a great show and enjoy your weekend.

Just a few housekeeping notes for you all to read, if you have any questions, please feel free to contact anyone of our committee members.

Arrival: The grounds will be open for people to arrive as of 1pm on Friday the 9th of January.

Parking: Please be considerate when parking, do not take up loads of space

For big trucks coming in, please cut across the grass where the road cones are to avoid breaking tree branches and scaring horses. The road cones will be placed by the blue toilet tanks. There is to be no parking between these cones.

Yards: Your yards will be allocated, these will be emailed to you, on our Facebook page and up on the window in the club rooms. Please refer to the show map for directions to your correct yarding.

Please make sure your yards are kept clean and are thoroughly cleaned out when you leave. There is a skip bin close to the wash bay for all manure. There is to be NO manure put around tree's or thrown over the back of the yards. If we find yards full of poo you will be charged for them to be cleaned.

We have done our very best to keep everyone in suitable yards so that everyone can share the shade. Please keep in mind all yards have a single chain for the gate; we encourage you to bring along your own stable gates/reinforcement if necessary.

Please do not swap yards without talking to Amy Vujcich first 0278724882. Your allocated yard is yours for the show and you are responsible for its cleanliness.

It is a rule of the Kihikihi Domain that horses/ponies cannot be tied to trucks including stallions. Please do not have horses tied to trucks even if you are tacking up.

Skip Bin – poo only! There is to be no rubbish put in this bin. There will be some rubbish bags about the grounds but please take your rubbish home.

Wash Bays: please remove any manure that your horse leaves in the wash bay. It is not fair for other people to walk into a dirty wash bay. The skip bin for the poo is opposite the wash bay.

General Information:

If you are scratching a horse/pony, please do this on Evo Events or on the day, let us know in the club room. This will help make the day run faster and smoother.

There is to be NO riding on the top polo field by the grandstand. This field has a new surface, and we have been asked to stay off it. If anyone is seen to be riding on this field, you will be asked to leave. Also, the grandstand is fence off and out of bounds.

A reminder that there is absolutely NO assistance from outside of the ring accepted during any of the judging. Offenders may be asked to leave the ring; the committee reserves the right to make this decision.

Lunging: We understand that some horses and young ponies may need some working in however, no horses shall be lunged for longer than 20 minutes! We are in for some long and hot days, excessive working will not be accepted, and the committee reserves the right to ask you to stop if they feel necessary in terms of horse/pony's best interests.

Trophies: If you are lucky to win a trophy these will need to be collected from the club house. There will be a bond of \$35 to pay for the trophies this event due to trophies not being returned. This will be refunded when they are returned the follow season. If you do not wish to take your trophy home then you can pay us to get it engraved of \$30 otherwise, they will not be engraved if you choose not to take them home. You have the trophies for a year! please ensure that you have them engraved on time and returned clean. We have had trophies returned that have not been engraved and it is a shame not to have the winners on them.

Showers: these will be open first thing in the morning and close by 9pm. Unfortunately, there has been vandalism by locals so these need to be locked at nighttime, this has been requested by the Domain.

Sponsors: we have been so lucky to receive some incredible sponsorship to make the running of the show possible, please don't forget to thank them. There will be thank you cards available for you in the office, simply fill them out and return them and we will make sure the get to the right people. A little thank go along way!

Have a safe journey to and from the show, we hope you enjoy your weekend in Kihikihi and get amongst some of our Saturday afternoon activities!

See you soon,

The 2026 North Island Premier Showing Championships Committee
