KUMEU DISTRICT
PONY CLUB

Rules and Conditions of entry:

This event is run under ESNZ Dressage Rules & General Rules and Regulations (effective 1 August 2024) in conjunction with the NZPCA General Regulations (July 2023 version).

1. NZPCA General Regulations, Chapter 3, Rule 15.4 Working Rallies will apply.
2. The rider must be a WRAPC financial member and be in the NZPCA database.
3. Riders must comply with the WRAPC Policy: Competition Eligibility for Interclub Teams Events (October 2023), i.e. there are no age restrictions on riders but they must enter at the level they are currently competing at as follows for Dressage: Once a combination has 4 scores at a level that are $\geq 64\%$ they cannot enter the level below. For example, a combination that has 4 scores $\geq 64\%$ at level 2 cannot enter level 1.
4. Teams are made up of six riders, two in Introductory level, two in Preliminary, two in Novice. Teams must consist of a minimum of four riders across all 3 levels to be able to put forward an eligible score.
5. A rider who qualifies two mounts for an event may only ride both mounts if another club rider is not available and must have the approval of their district committee and the event organising committee.
6. All the above is to be confirmed by the Club DC and/or Club Chief Coach before the entry form is signed. *Results can be obtained via Evo Events > Results > Search Horse Results and clicking through on the Class to see results. Ensure that the rider is the one you are verifying for.
7. Maximum of two teams per Club (subject to change depending on entries).
8. Teams must comply with the Policy on WRAPC Inter Club Draft Riders and Composite Teams (July 2023). A composite team is formed with an equal (50/50 split) contribution of riders from both Clubs. Draft riders are individual riders who have qualified for and are eligible to enter an Inter Club Teams competition but cannot be given a place in their Home Club's team. This might occur if the Home Club has too few riders to form a team or has more riders than it needs to form its' team(s).
9. Club uniforms are to be worn by all teams. Jodhpur colour to be determined by the rider's Club.
10. A back number bib will be provided by KDPC.
11. Hair is to be in a hairnet or plaited ponytail.
12. Novice riders must wear gloves. Optional for Introductory and Preliminary Riders
13. Whips are allowed. The length may be no longer than 100cm for Pony riders and 120cm for Hacks.
14. Spurs are allowed unless specified on your test sheet.
15. All tests will be in 20 x 60 arenas. Callers are permitted.
16. Gear Checks must be completed prior to competing. If any gear is changed after a rider's gear check, the rider must have another gear check. Failure to attend Gear Check will result in elimination. It is up to the rider, team manager and parent to ensure their gear is safe and under the permitted gear list under ESNZ Dressage Rules and NZPCA General Regulations. If teams are required to do this as a team this will be specified when the draw is complete.
17. The draw will be available through EvoEvents by Thursday 20th November
18. Team Managers must ensure that teams are ready and warming up ready to ride on time.
19. A fall results in elimination, you may not remount. If you do not enter the ring within 45 seconds of the bell ringing - elimination. If your mount exits the ring with all 4 feet - elimination. Elimination in the first test does not prevent the rider from competing in subsequent tests. In the case of a fall, the rider must be checked and cleared by a medic before remounting.
20. Team Score Calculation: Where the team composition spans multiple classes the lowest score in each class is dropped for each round or test. Then the next best score across all of the team's riders is also added in. The advantage of this "vertical" approach is that if a rider has a very poor score in one round or test or is eliminated but has a good score in another round or test, they can then still contribute to team scores. The winning team is the team with the highest combined percentages after the two rounds.
21. Final presentations will be held at the completion of all classes, the team must be presented in full uniform. The time of the presentation and if riders are to be mounted or unmounted will be advised in the rider notes or advertised on the day.
22. Placegetter Rosettes sponsor the 'TEAM SPIRIT' award. This award is based on a criteria, there is no implications on placing for teams.
23. Rosettes are awarded for teams only to 4th place, not for individual competition.
24. Protests can only be made by the team manager accompanied with \$50 which will be refunded if upheld.
25. NO dogs are to be on the grounds or in any vehicles. Failure to comply with this will result in elimination of the associated rider.
26. All rubbish, manure and hay must be removed from the parking area and disposed of in the provided bins. Please ensure you leave the area where you park clean and tidy.
27. Teams, Parents, Managers, Coaches and any other supporters must adhere to the NZPCA Fair Play Charter and Code of Conduct. Have fun and be a good sport!
