Show Format:

The judging for the North Island Championships and Nationals will happen concurrently

Best Presented Classes:

Entries will enter the ring in numerical order and stand where the steward places them for the Judge(s) to inspect

Led Classes:

Age Classes:

Entries will enter at a trot one by one into the ring in numerical order then stand and wait for all entries to have entered.

In numerical order, the horses will each be asked to stand before the Judges, then do a workout before coming back to stand in front of the judges.

Once all horses have been judged (and the placings recorded by the steward for each judge on the official record), placings to 4th place will be announced (reverse order) for the NI Championships. Then the placings to 4th place will be announced for the Nationals.

Judging NI Championship Titles:

At the end of a section (example: Junior & Intermediate Section), all horses that were awarded 1st place in the classes for the NI Championship Title for that section will enter the ring again in age class order and do a workout around the ring before coming to line up in the middle. The 2nd place horses to them will also enter the ring, do a workout around the ring before coming to line up behind the horse they placed 2nd to. The Judge will then write down their Champion and Reserve. Horses will exit the ring.

Judging National Titles:

At the end of the NI Championship Titles being judged, all horses that were awarded 1st place in the classes for the National Title for that section will enter the ring again in age class order and do a workout around the ring before coming to line up in the middle. The 2nd place horses to them will also enter the ring, do a workout around the ring before coming to line up behind the horse they placed 2nd to. The judge will then write down their Champion and Reserve. Horses will exit the ring.

Awarding NI and National Champions and Reserves:

Over loudspeaker, the North Island Reserve Champion will be announced. They will then enter the ring and be awarded their ribbons and prizes by the Judge and Sponsors (if any). Over loudspeaker, the North Island Champion will be announced. They will then enter the ring and be awarded their ribbons and prizes by the Judge and Sponsors (if any). Horses will exit the ring.

Over loudspeaker, the National Champion will be announced. They will then enter the ring and be awarded their ribbons and prizes by the Judge and Sponsors (if any). Horses will then exit the ring.

Head & Trot Classes (non-roll of merit):

All entries to head into the ring at a walk and line up in numerical order.

The judges will judge the head class with the horses standing. Judges will score each horse, and the scores will be tallied. Then the winners will be announced and awarded.

For the trot class, all entries will head into the ring at a walk and line up in numerical order. One by one, each horse will be asked to perform a trot between two markers. The judges will score each horse, then the scores will be tallied. The winners will be announced and awarded.

Youth Hi-Point Classes:

The Youth Led and Ridden Sections will be run on a cumulative points system whereby place ribbons will be awarded and points allocated as: 1st place (six points), 2nd place (five points), 3rd place (four points), 4th place (three points), 5th place (two points), 6th place (one point).

Overall Hi-Point Sashes for 1st–6th place will be presented following the Youth Ridden Section.

Ridden Classes:**Ridden Classes:**

Horses will enter the ring at a walk on the right rein (circling around to the right, clockwise around the outside of the arena).

The steward will ask for different paces to be performed as a whole group and include a change of rein.

If there are many entries, the classes may be split for safety and to give room to ride.

Entries will be asked to line up for the Judges to inspect.

Once all horses have been judged (and the placings recorded by the steward for each judge on the official record), placings to 4th place will be announced (reverse order) for the NI Championships. Then the placings to 4th place will be announced for the Nationals.

Costume Classes:

Horses and rider/handler combination may enter in either Led or Ridden but not both

Led Costume:

The handler may also be in costume, but it is not required. Horses are led into the ring at a walk and lined up at a halt to judge. No trotting required.

Ridden Costume:

Run as per NZAHS rules regarding this class.

Working Arabian Classes:

Competitors may enter both the led and the ridden.

Purpose: To demonstrate the versatility and temperament of the Arabian horse. The horse should be calm throughout the course and a willing partner with their handler/rider.

Rules

- 30 seconds per obstacle, judge /steward to ask rider to move to next obstacle if time exceeded
- Softness and calm temperament, rewarded over speed
- Correct lead changes are expected

Obstacles

1. Enter at Trot, clockwise around the ring. Show forward motion, speed with control.
2. Stop. 3-4 seconds. Canter to halt expected for ridden, trot to halt for led. Riders to show a proper halt. Square halt to be rewarded. Horse should be happy to go from forward to stationary as they would when being ridden in open
3. Narrow Bridge, Walk only. Horse should maintain forward motion and remain on the bridge. Horse should be soft, with lowered head and engaged in the task being asked.
4. Open Gate. Rider may approach from either side. Horse to be parallel to gate. Rider to unhook gate and move horses shoulder through. Rider will then ask the horse to swing hind end through so they end up parallel to the gate again but facing the opposite direction. Rider must not drop the gate. Horse to be calm through the manoeuvre, moving their hind end and shoulder as asked. Horse not to move off until asked by the rider. 45 seconds to be given for this obstacle.
Led horses to wait patiently while the handler opens the gate and follow through willingly.
5. Back Through poles. Horse to start with hind end at opening of poles. Horse to back through smoothly when asked. Led horse can have handler in front or to the side. Horse to show a straight smooth back up.
6. Chest Push. Horse to push Chest push approximately 1-2m. Horse should be calm, soft and engaged in the task. Rider/Handler must not touch the obstacle.
7. Side Pass over L shaped Poles with cone. Front and hind to cross over showing correct side pass. Higher "points" to be rewarded to the horse that side passes on to the obstacle rather than stepping over and starting from there. Horse should calmly negotiate the corner and the raised end.
8. Flag – trot circle anti clockwise, return flag to cone. Horse should wait while flag is collected and returned. Rider to show even circle while riding one handed. Horse should be forward without showing reaction to the flag.

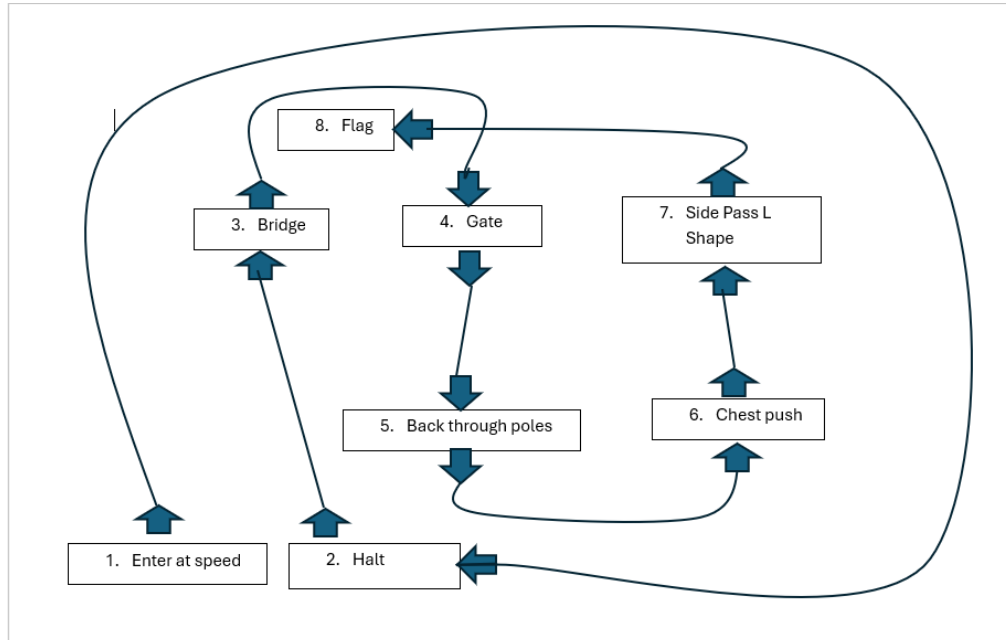

Rider/Handler may hold the flag where they wish but higher "points" should be

given to the handler/rider who can be messy with the flag and let it flow freely.

Attire. Correct Attire is jeans with button shirt but given the nature of our event, allow riders to dress as they please. Jackets may be removed if the rider wishes, to enable them to reach for obstacles where needed. Hard hats to be worn if requires by Arab society.

Led horses to be in a plain halter, rope halter or bridle for safety.

Course below:

Led Working Arabian:

1. Enter at Trot, clockwise around the ring. Show forward motion, speed with control
2. Stop. 3-4 seconds
3. Narrow Bridge
4. Open Gate
5. Back Through poles
6. Chest Push
7. Side Pass over L shaped Poles with cone
8. Flag – trot circle anti clockwise , return flag to cone

Ridden Working Arabian:

1. Enter at Speed, clockwise around the ring. Show forward motion, speed with control
2. Stop. 3-4 seconds
3. Narrow Bridge
4. Open Gate
5. Back Through raised poles
6. Chest Push
7. Side Pass over L shaped Poles with small barrel
8. Flag – full circuit anti clockwise around the ring, return flag to cone

RULES

The show will be run under the NZAHS Rules

Exceptions for this show:

- No Performance cards or RAS cards are needed for ridden classes. However, please be honest if you have won more than 6 novice classes and move into the open classes.
- We will allow more than one handler for each horse. This allows professional handlers to be able to move to different horses in the same class. All handlers/holders of horses in the ring are to be suitably attired (dressed as if showing their own horse). No branding allowed (such as stud/sponsor names on any clothing while handling/holding a horse in the ring). The change over from handler to holder should create minimal disruption to the class.
- At our show we will have a marshalling area at the entrance of the ring. In this area:
 - a) Horses must remain calm in the marshalling area with a maximum of one handler/rider and one groom until they are instructed by the Marshall to prepare the horse for entry into the judging ring.
 - b) Shakers must only be used in moderation by or under the direction of the Marshall, in the designated marshalling area and only upon request from the competitor at the time of entry into the marshalling area. Shakers may be a rattling instrument or show whip with an attachment no bigger than 30cm in length. No other artificial devices may be used.
 - c) The well-being of the horse is of paramount importance and although horses may be encouraged to exhibit some level of animation there should be no indication that the animal is fearful. No chasing of exhibits.
 - d) Audience participation is not allowed in or around the marshalling area.
