10. The Organising committee reserve the right to alter, amend or cancel the event at their discretion
Due to a limited number of Timberlands Personnel we ask that Teams volunteer to help with the Packing / Cleaning up.
This may include the taking down of Dressage arenas, packing up of Show Jumps or helping pick up the Flags / Numbers etc. after the last rider in the Cross Country {while the final scores etc. are being processed}
This would be greatly appreciated and help us considerably towards the continuation of the Timberlands Teams Event.
