Dressage New Zealand is pleased to host a clinic presented by visiting FEI 5-star -Level 4 Dressage judge Henning Lehrmann from Helmstedt Germany.

Henning has a successful equestrian background behind him having judged more recently at the Paris Olympic Games in 2024.

One of his passions is training young horses, where Henning is a firm believer in Fairplay and the welfare of the horse. "We all have to have the same goal: Good sport, welfare of the horse, Fair Play, to develop and improve the dressage sport and it is also important to discuss various topics (in a friendly and respectful way) to make it clear that we are all on the same page."

A successful Grand-Prix rider, Henning has competed in many CDI events, and has also been placed in the World Cup. Over the years has successfully competed at Grand Prix level with different horses educated by himself, and his greatest happiness is that he has the opportunity to train and spend time with them.

Henning's presentation will be held on Sunday 8th March 2026 at Wairakei Hotel, following on from the NZ Dressage Championships Taupo. The outline of the programme will cover the Training Scale, movements, marks and criteria across a range of progressions from Young Dressage Horses to Grand Prix Level, supported by video footage and discussion.
