CONDITIONS OF ENTRY

1. Team members must be financial members of a Pony Club, 25 years & under.
2. Each rider must have done required rallies on the selected horse as per NZPCA rally rules (NZPCA General Regulations CI 15.4). If this requirement is breached the whole team will be disqualified.
3. No horse and rider combination may compete if the combination has been placed in the top 6 at an 80cm ODE, 2DE or HT, or competed at a higher level since 1 September 2025. Checks will be made and breach of this rule will result in disqualification of the whole team. The event is designed for combinations riding at lower heights to give it a go riding in a team so if a rider who has placed in the top 6 at 80cm or ridden at a higher level rides a different horse they must not have been selected in the place of a less experienced rider who would otherwise have been given the opportunity to compete in the team.
4. Teams consist of up to 4 riders. The 3 best scores in a team are counted for overall prizes and all 4 will be counted in dressage.
5. Draft riders can be put forward to make up teams.
6. Teams may consist of members from different Branches or Clubs.
7. Branches or Clubs may enter more than one team.
8. The dress code is pony club uniform, subject to the following:
 - For the dressage phase all riders must wear pony club uniform, no jackets but gloves are required.
 - Teams may have a theme/matching outfits/fancy dress, etc, for show jumping and cross country phases providing usual gear safety requirements are met and back numbers are clearly visible, or alternatively must wear pony club uniform.
 - Back numbers must be worn at all times when riding and all horses must have an ID tag on at all times.
9. There will be one dressage test for all riders, being ESNZ Eventing Test L2.
10. All 4 riders in a team will enter the dressage arenas at the same time.
11. Each rider must nominate in their entry whether they wish to jump 65cm or 80cm. Teams may include riders jumping any combination of heights.
12. There will be one show jumping arena. All riders jumping 65cm will start first, followed by all riders jumping 80cm. The same course will be used for each height.
13. Each rider may only show jump one height. Penalty for jumping two courses will be elimination.
14. Cross country riders will start in back number order and each rider will jump the course height nominated in their entry. Jumping a lower or higher height cross country jump than nominated will result in that rider's elimination.
15. Approved helmets must be worn at all times when mounted. All helmets must have a Yellow NZPCA approved tag.
16. Long sleeves must be worn for ALL jumping phases.
17. Approved back protectors must be worn for Cross Country.
18. Team gear checks will be held for all 3 phases, managers must be present.

19. Each AMPC team must provide 1 helper per rider for the day. All other teams must supply 2 helpers per team for pole picking up, dressage arena pack up, cross country jump judges, etc.
20. Helpers' names and phone numbers must be supplied with your entry so that jobs may be allocated before the day. Preferred role can be indicated but is not guaranteed. Back numbers will not be issued without names and phone numbers of nominated helpers.
21. Entry fee is \$500 per team (Inc Medic Fee & Ground Fee).
22. No refunds given for scratchings without a veterinarian or doctor certificate. For each scratching to be refunded, \$10 admin fee will be charged and 80% refund (less Admin & Evo Events fees) will be given.
23. Changes to be requested through Evo Events and all changes made will be charged a \$10 admin fee. No changes will be made after close of entries.
24. Entries close on Monday 23 March 2026 or earlier if entries are full.
25. All Entries to be done on Evo Events by Team Manager.
26. This event is a Pony Club event run under NZPCA and ESNZ Eventing Rules.
27. Dogs must be on a lead and under control at all times.
28. Helmets must be worn on bicycles at all times. No bikes to be ridden during cross country phase. Failure to comply could result in elimination.
