

GIVE IT A GO WEEKEND OF SHOW JUMPING

April the 11th and 12th at Kihikihi Domain

This weekend has been arranged to give riders more mileage and SJ experiences. Our goal is to give riders an opportunity to gain more confidence in the SJ ring, as well as helping green horses/ponies or just needing that extra SJ mileage. ** classes parents can assist riders in the ring but not lead them.

We want to run a SJ course with a jump off, we will dust off some other fillers to jump in the higher heights change of course on 2nd day

Time table	Approx heights	Costs Pre entry on Evo
