The Hawkes Bay Equestrian Park is at 89 Equestrian Lane at the end of the road. The gate is electric, so drive up quite close to it and it will open for you. You will need to take a sharp right once through the gate, and follow the ropes right around to your parking area. The red oblong is the gate to the Equestrian Park. You drive up close and it will open automatically. The white oblong is where the Ravensdown Marquee will be.
