The same process will be used for the second test

Change the Rein and NZPCA Fair Play Charter

We would like to encourage new or younger riders to be able to have the opportunity to be part of an NZPCA team's event. To support this, we highly recommend that Clubs and Team Managers enter riders at the current level they are competing at, or the next level up. For example, if a rider is competing at Level 1 (or equivalent for Eventing), then they should compete at Marlborough Trophy at level 1 or strive for level 2 or 3.

Change the Rein is a campaign in association with the NZ Pony Clubs Association to drive a conscious change in direction in equestrian sport in New Zealand. It is a quest for a positive, welcoming, encouraging and supportive culture in our sport. The main objective is to create a safe and supportive culture fostered by leaders, management, members, volunteers, parents – anyone involved in equestrian sports.

It is clear – unsupportive or inappropriate behaviour is not normal and not accepted.
