

Hi all

The gate will be opened at 8:00 on Sunday morning, entry is via Gate 2 on Kawakawa Road.

No parking by wash bays or stadium, stay in the truck park.

All poo, hay and rubbish needs to be taken home with you.

Not all of the surface is available for use so please keep to the area advised, that is the Kawakawa Road end.

Riders in the Ride and Review have 15 minutes arena time. Once the test is ridden go to the judge at C who will discuss your test and you then have the remaining time to try a few movements or just ride around.

Any falls must be checked by First Aid before remounting.

The day will finish after the last ride and review test, approximately 4:30pm.

Have a great day!
