Le Trek

Saturday 8th August 2026

National Equestrian Centre, Rapids Road, from 10am.

Great Prizes Ribbons

What is Le Trek?

This is an open event designed to test the skills of both you and your horse as you navigate through a variety of challenges. It's a fantastic opportunity for you to show case the bond and teamwork you have developed with your horse.

The competition will be divided into two phases: **Obstacle course** and **Orienteering**.

The **obstacle course** will test your ability to manoeuvre through a series of obstacles.

Obstacles may include Rein back Bridge Crossing Opening and Closing a Gate **Trotting** or **Cantering** through a Corridor Ball pit Barrels Bull Ring Tyre Drag Figure Eight

And whatever else we might come up with! There will be 10 obstacles.

Marks are awarded for calmness and obedience, not speed and if you decide not to complete a task, you will not receive marks for that specific task.

In the **orienteering phase**, you will be paired with another rider of your choice. Together, you will navigate through a designated course, using a map to find specific checkpoints.

We recommend that you come prepared with a bum-bag or clothing with large pockets, this will allow you to conveniently carry items necessary for orienteering, which include a map and pencil.

Whether you are a beginner or a seasoned competitor, this event welcomes riders of all levels. It is meant to be a fun and enjoyable competition, so there will be no eliminations. However, it is crucial to consider the safety of both you and other riders. Always be aware of your surroundings, maintain a safe speed when passing other horses, and show respect and consideration to fellow competitors.
