HUNTER HIGHLIGHTS

August 2026

A new season begins and here are some timely reminders:

WHEN DOES A SHOW HUNTER ROUND START AND FINISH?
It has now been formalised in a Show Hunter Rule passed at conference/AGM this year that:
"A round starts when the pony/horse enters the ring and finishes when they leave the ring".
So, the judge is judging you from the time you come through the gate until you exit at the gate.

WALKING IN AND OUT OF THE RING
A reminder that, whilst there is also no rule regarding the pace you should enter and exit the ring for safety reasons it is strongly desired that you enter and exit the ring at a walk. That is not to say that you will be penalised for leaving the ring with a couple of slow trot strides – but walking both in and out is recommended and desirable.

SERIES FINALS QUALIFYING
The organising committee for Series Finals show this season would like competitors to have 20 points to qualify for the National Series classes.
To facilitate this, organising committees will still have classes designated as "HOYQ" – which is how qualifying points have always been identified. In addition, a "F" will be added to these classes (ie HOYQ*) and a show condition of clause of
*** This Class carries qualifying points for Series Final classes**

ESNZ Conditions

By submitting an entry, the Competitor or Person Responsible confirms that they agree to be bound by the ESNZ Constitution, the ESNZ General Regulations, the applicable Discipline Rules and all Event conditions set out in the Schedule, for the purposes of their participation in the ESNZ Competition.

ESNZ, Affiliate Groups, Organising Committees and their officers, officials, agents, employees, volunteers and representatives accept no liability for any accident, loss, damage, injury or illness, including to horses, owners, competitors, spectators, volunteers or property, arising out of or connected with this Event, except to the extent that such liability cannot be lawfully excluded.

Any non-ESNZ Competitions held at this Event are run independently of ESNZ, and ESNZ's insurance (for Members) and ESNZ dispute processes do not apply to those classes.

HEALTH & SAFETY POLICY

The ITM ROTORUA BOP Show Hunter Inc Spring Show is committed to providing and maintaining a safe and healthy event for all staff, and to providing the information, training and supervision needed to achieve this. We will take all practicable steps by:

Providing a safe event, safe equipment, and proper materials.

Identifying and monitoring hazards and using the hazard management hierarchy of eliminate, isolate, or minimise.

Insisting upon establishment of safe methods and best practices.

Complying with all H&S legislation, regulations, and codes of practice.

We will take responsibility for health and safety procedures; however, all people on this site need to be aware of their responsibilities and comply with the event's health and safety policy. Every person involved in the BOP Show Hunter Spring Show is encouraged to play a vital and responsible role in maintaining a safe and healthy event through:

Being involved in the event health and safety system.

Following correct procedures.

Ensuring safe and proper use of equipment.

Wearing protective clothing and equipment as and when required.

Reporting any pain or discomfort as soon as possible.

Ensuring all accidents and incidents are reported to the Health & Safety Officer at the office.

Helping new employees, trainees, and visitors understand the safety procedures and why they exist.

Informing the office immediately of any health and safety concerns.

Keeping the event facilities tidy to minimize the risk of trips and falls.

Competitors are responsible for themselves at all times and must observe the safe practices and rules/instructions relating to their competition.

In the case of a fall of an athlete and/or horse at any time in the competition arena, practice arena, or elsewhere within the grounds of the event, the athlete must be checked by the event's medical service and the check recorded on the event medical check card before being permitted to take part in the round in progress or the next round or competition at the event (Article 224). The card must remain in the rider's pocket and be presented to the gate steward or ground committee before continuing to compete. The horse must be cleared by the Veterinarian, or the President of the Ground Jury and one other official if the Veterinarian is not available, before being permitted to take part in the next round or competition (Article 224)

The BOP Show Hunter Inc Spring Show complies with the ESNZ concussion policy. Riders with a suspected concussion will be removed from the event. Riders who are concussed are often unaware of their symptoms and may want to continue riding. The Ground Jury at the event takes responsibility for the rider's wellbeing, assesses the rider, and makes an informed choice about whether the rider should continue — if there is any doubt, the rider must be removed as per the Blue Card process below. ESNZ's Blue Card process has been developed to keep riders safe and to support officials in their duty of care.

Blue Card Process

Officials can exclude a rider from participating in a competition or entire event by issuing a Blue Card because the rider has received a serious injury, including concussion or suspected concussion.

If a rider issued with a Blue Card refuses to withdraw from the event, disciplinary action may be taken through the process set out in the ESNZ General Regulations.

The Blue Card notice is logged on a rider's profile on ESNZ's database.

A Blue Card means a rider is stood down from all riding activities until clearance from a registered GP or registered medical specialist is obtained.

If a rider who has been issued a Blue Card competes without first providing medical clearance, this may result in disciplinary action through the ESNZ disciplinary process.

For any information on Health & Safety at any time, please call the Event Health and Safety Officer: Debbie Fahy, 027 200 3195
