

## Middle and High School

### Hello!

My name is Nic Mayberry, and I am the new High School Ministry Director. It is great to be a part of the team here at FCC! Thank you all so much for making sure that I have been shown a warm welcome. It has been felt, and I appreciate it so much. I look forward to getting to know you all. I hope to be a familiar face in both the church and the community. If you see me around, be sure to stop and say, "Hi".

Over the next few weeks I look forward to learning about the culture of FCC, the schools, and most importantly learning about the families that make up our church and the surrounding community.

I am both humbled and extremely excited by the opportunity to work alongside the rest of the Family Ministry Team, and I can't wait to see what God has in store.

Nic
