

Middle and High School

We are working diligently towards our mission trips to Cincinnati and Cuba this summer. We are excited to see how God will use our students to show His love to people who might be different from them. While in Cincinnati, we will be doing various work projects throughout the city, partnering with Master Provisions, Matthew 25: Ministries, and the Cincinnati Park District. We will also partner with Bloc Ministries, which lives and works in urban neighborhoods, working one-to-one with students and adults, helping them find pathways out of poverty. We will end each day with our own worship service and teaching time.

While in Cuba, we will travel to Matanzas to engage with churches and Christians, providing spiritual encouragement and fostering relationships. We will also help with odd jobs and assist in hosting VBS. The focus of this trip is the people of Cuba. We are excited to bless the church of Cuba in whatever way we can.

We pray these trips begin to open the eyes and hearts of our students to see the world around them in a bigger way, and to recognize that all people need the love and hope of Jesus. These trips challenge us, build our friendships with one another, help us grow in our relationship with Jesus, and develop a broader understanding of the world and the work of God's Kingdom. Please be in prayer with us and for us as we prepare for these trips. Thank you for allowing your students to experience them with us.
