

GRACE POINT

I Love My Ecclesia Part 2: Community 101

Acts 2:42-47

1. What was most meaningful, memorable, or challenging to you from the message this week?
2. Do you tend to think of church as a place or a people? How do you think that influences the way you view God?
3. Have you ever experienced koinonia (community) with other Christians? If so, what were the circumstances? How did that experience change your relationship with your heavenly Father?
4. What are some reasons it is so difficult to step out of Sunday morning rows and move into circles with others? What motivated you to move into a circle?
5. How have you seen your faith grow due to your connection with other Christians?
6. What might keep you from devoting yourself to a small group in the next season

MOVING FORWARD

Life is better in community. We believe that's where church happens. We want you to have the full experience. We want you in circles as well as rows.
