What Happens After You Die Part 1: 5 Myths About Eternity

Revelation 21:1-8

1. What was most memorable, challenging, or encouraging from the message this week?
2. What beliefs about heaven have you heard (or perhaps held) that you're pretty sure aren't true?
3. In the message, Tim outlined five beliefs he called myths:
 - a. I don't have to think about this
 - b. Nothing happens when you die
 - c. Whatever you believe happens, happens when you die
 - d. Everything works out just fine in the end
 - e. Heaven is a big vacation

Which of the five myths bothers you most? Why? And which (if any) do you wish was true?

4. Read through Revelation 21:1-8. What surprises you about that vision of eternity, both positively and negatively?
5. Not all of your decisions will last forever, but some will. Discuss which ones matter and why.
6. In light of what we learned this week, what decisions do you need to make or change?

MOVING FORWARD

This week, re-read the scripture above along with 1 Cor. 15:35-37, 42-44; and as you do, ask God to help you better understand the promise of resurrection and the reality that you will live forever.

CHANGING YOUR MIND

But someone will ask, "How are the dead raised? With what kind of body will they come?" How foolish! What you sow does not come to life unless it dies. When you sow, you do not plant the body that will be, but just a seed, perhaps of wheat or of something else.
