CO-HEART CERTIFICATION PROGRAM APPLICATION

Co-Heart Certification offers a guided pathway of thorough chakra study and personal growth. Students gain skills and principles for manifesting their visions as well as tools for balancing their chakras. Co-heart graduates report accelerated life fulfillment.

Co-Heart Certification has no pre-requisites and is open to anyone. A certificate is granted for completing the four basic courses, listed below, a short reading list and an interview with **Sacred Centers** faculty member to share your learning or a one or two page written learning report that demonstrates a solid understanding of the material. Requirements for completing the Co-Heart level include Courses 101 through 104:

- 101 – Seven Windows to the Soul (Basic Chakra Weekend)
- 102 – Energy Awareness: Awaken Your Untapped Mind *or suitable equivalent* (weekend)
- 103 – Psychology of the Chakras: Chakra Awakening (Week-long Intensive)
- 104 – **Creating on Purpose: Manifestation Workshop** (3-4 days)
- Reading of *Wheels of Life* and listening to *The Chakra System* (audio set)

Please answer all questions as accurately as possible. Information will be kept confidential among the Sacred Centers staff. Those questions marked with an asterisk () are better answered in a personal essay.*

Certification Program Agreement *Please read carefully and sign below.*

OBJECTIVES OF SACRED CENTERS COHEART CERTIFICATION:

1. To further the consciousness, spiritual growth, and healing of all who partake by utilizing the tools and wisdom of the chakra system.
2. To enable students to apply the tools and understanding of the chakra system in their current lives, for personal growth as well as apply when appropriate in work or other venues.
3. To provide peer support and community based on the sharing of this knowledge.
5. To better the world around us by supporting the expansion of individual and collective consciousness through grounded principles that honor body, mind, and spirit.

Criteria for certification are based on following attributes:

Completion of courses, an interview, and/or short written description of important learning
This will be a way of demonstrating comprehension of material and ability to articulate to others.
Maturity and ethical conduct.
All relevant fees paid in full.

I have read and understand all the above and agree to its conditions.
