## **Instructions to complete “Bird’s Nest” Necklace:**

### **Step 1**

Using 5 feet of wire and the three 6mm crystal pearls as the “eggs,” make one bird’s nest by wrapping the wire in a freeform manner (see Wire Wrapped Bird’s Nest Technique).

### **Step 2**

In Step 18 of the technique, before burying and trimming the wire end, make a wire wrapped loop (see Wire Wrapping Technique).

### **Step 3**

String the chain through the wire wrapped loop on the bird’s nest.

### **Step 4**

Open the 4mm jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach the loop on the lobster claw to one end of the necklace. Attach the 6mm jump ring to the other end of the necklace. Close both jump rings.
