Instructions to complete "Goin' All Out" bracelet:

Tip

This four-strand bracelet is easiest to make if you string all strands simultaneously. Imagine that the four strands are numbered from 1 - 4. Imagine also that the four loops on the clasp are correspondingly numbered from 1 - 4.

Step 1

Using wire cutters, cut the beading wire into four 10-inch lengths.

Step 2

Place one crimp bead and loop 1 of one side of the clasp onto a 1-foot length of beading wire. Pass the wire back through the crimp bead, and crimp the crimp bead (see Crimping Technique).

Step 3

Cover the crimp bead with a crimp cover (see Crimp Bead Covers Technique), and trim excess wire with wire cutters.

Step 4

Repeat Steps 2 - 3 three times, attaching a 10-inch length of beading wire to each of loops 2, 3 and 4 on the same side of the toggle clasp used in the previous steps.

Step 5

String these beads in the following sequence onto the four strands of beading wire simultaneously:

Strand 1: 1 8mm Crystal Silver Shade round bead

Strand 2: hole 1 of 1 Crystal Silver Shade double hole square bead

Strand 3: hole 2 of the same Crystal Silver Shade double hole square bead as strand 2

Strand 4: 1 8mm Crystal Silver Shade round bead

Strand 1: hole 1 of 1 Crystal Silver Shade double hole square bead

Strand 2: hole 2 of the same Crystal Silver Shade double hole square bead as strand 1

Strand 3: hole 1 of 1 Crystal Silver Shade double hole square bead

Strand 4: hole 2 of the same Crystal Silver Shade double hole square bead as strand 3

Repeat the sequence above eight times, then string:

Strand 1: 1 8mm Crystal Silver Shade round bead

Strand 2: hole 1 of 1 Crystal Silver Shade double hole square bead

Strand 3: hole 2 of the same Crystal Silver Shade double hole square bead as strand 2

Strand 4: 1 8mm Crystal Silver Shade round bead

Step 6

Place one crimp bead and loop 1 of the other side of the clasp onto strand 1. Pass the wire back through the crimp bead, crimp the crimp bead, cover with a crimp cover, and trim excess wire with wire cutters.

Step 7

Repeat Step 6 with the remaining strands, crimping each to its corresponding loop on the clasp.
