Instructions to complete “Marnie” pet tag:

Step 1

Tape the stamping charm onto a bench block. Using a brass hammer and the letter stamp set, stamp the name of your choice into the charm (see Metal Stamping Technique).

Step 2

Using the fish bone stamp, stamp a fish bone on the stamping blank below your pet’s name using the same technique as in Step 1.

Step 3

Color the letters with the Wild Plum Alcohol Ink (see the Coloring Metal Stamped Letters using Alcohol Inks Technique). Wipe away excess paint with a paper towel.

Step 4

Open the jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach the loop on the lobster claw to the hole in the charm. Close the jump ring.
