

# SHOW YOUR PROMOTION IN A BRAND NEW LIGHT!

## CRYSTAL LED LIGHT PANELS

- ♦ Contemporary & Eco-Friendly
- ♦ Super thin - less than 1/2" thick
- ♦ Quick & easy changing of the graphic - No Tools Required!
- ♦ Long life bright white SMD LEDs last for over 70,000 hours
- ♦ Optical grade clear acrylic face panel
- ♦ 10ft. Power cord with on/off switch

### Make your photo transparency stand out like never before!

This elegantly engineered illuminated acrylic frame allows the light to extend all the way out to the edges giving it a "halo effect" of light. This adds richness to the display and creates a high-end look that is sure to stop customers dead in their tracks.

### Smaller sizes are ideal for Dealer Awards

Optional 3" legs are included on sizes up to 16"x20" to allow for easy set up as either vertical or horizontal counter displays.

**We have the ability to "Light Up"  
Your Brand by Etching Your  
Logo into the Frame.**

## NEW
