

# STAFF PERSONAL REFLECTION JOURNAL

## Going Deeper

Try and find a quiet place such as the school chapel and, after watching the video, capture your thoughts on the following questions:

## Q# 1

Do you feel you have held a personal responsibility for the way in which your school achieves its objectives or is it something you feel is best handled by the principal?

[illegible]

"The preaching of the Church truly continues without change and is everywhere the same. It has the testimony of the Prophets and Apostles and all their disciples."

## St Irenaeus

## Q# 2

What aspects of your work do you feel might allow you to take a greater responsibility for the school reaching its objectives? What areas allow you to make your best contributions?

This image shows a blank sheet of white paper with horizontal blue or grey ruling lines. There are approximately 20 lines spaced evenly down the page. A solid green horizontal band runs along the bottom edge of the paper, likely representing a margin or binding area. The paper is oriented vertically.

## Going Deeper

How do busyness, stress and complexity make it hard for you to have a focus on the bigger picture? What small steps could be taken to make a change?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

*This week make a special effort to really pray for your principal. Pray that they will be given the graces needed to lead effectively and to help your school reach its most important objectives.*
