Going Deeper

Try and find a quiet place such as the school chapel and, after watching the video, capture your thoughts on the following questions:

Q# 1

How do you sense God has been present in your life this past week. What experiences, people or moments have been signs of God's presence?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

“The constant talker will never, or a least rarely, grasp truth.

Q# 2

How do you feel the forces of materialism and technology have impacted you in terms of how they impact spirituality and connection with God?

Going Deeper

Do you feel that the task of reaching parents with the Gospel is possible?
Do you feel your school could become a missionary centre?

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface.

"If there were no God, there
would be no atheists."

G.K. Chesterton

Action Steps

This week make a special effort to reach out some parents. Seek to be a voice of affirmation and encouragement to them in some way. Being a missionary centre does not mean we have to be preaching directly. Sometimes it just means being the presence of Jesus to parents. Allow your outreach to them to be a reflection of Jesus desire for them to draw closer to Him.
