## Going Deeper

Where do you sense God's presence in your school culture or climate right now? Where do you sense his absence?

“He became what we are  
that He might make us  
what He is.”

## St. Athanasius

## Action Steps

*This week try and make a difference in the way that your school is a distinctive and unique place. Try and bring a new warmth, a deeper welcome or a renewed sense of concern for each student to your work in the coming days. Try and keep in mind that many students may be facing difficult home or personal circumstances.*
