

# STAFF PERSONAL REFLECTION JOURNAL

## Going Deeper

Try and find a quiet place such as the school chapel and, after watching the video, capture your thoughts on the following questions:

## Q# 1

What has been your own experience of the role of Mary in your spiritual journey? How important or absent has she seemed to you?

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper appears to be a standard notebook page or a sheet of stationery.

“It is better to be the child  
of God than king of the  
whole world.”

## St. Aloysius Gonzaga

Q# 2

Can you recall a time in your life where someone demonstrated a Marian or maternal heart toward you? What did you experience?

[illegible]

## Going Deeper

Can you think of one or two students who might benefit from a more Marian approach of warmth and welcome? How could a Marian charisma in your school reach them more effectively?

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

*Spend some time in the chapel this week and consider praying the Rosary. If you have not done so for a long time there are various apps available. Allow yourself to settle into a time of silence and stillness and then allow the contemplation of the mysteries to deepen your awareness of the Marian charism. What do you experience?*

“We must faithfully keep what we have promised. If through human weakness we fail, we must always without delay arise again by means of holy penance, and give our attention to leading a good life and to dying a holy death. May the Father of all mercy, the Son by his holy passion, and the Holy Spirit, source of peace, sweetness and love, fill us with their consolation. Amen.”
