

# STAFF PERSONAL REFLECTION JOURNAL

## *Going Deeper*

Try and find a quiet place such as the school chapel and, after watching the video, capture your thoughts on the following questions:

## Q# 1

What is one positive or memorable experience you have had over the past week. What moment might have been a way of God's presence being real for you?

[illegible]

Q# 2

In what ways does the Gospel really penetrate your life? What aspects of Jesus' words, life or mission have greatest impact upon you?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

“All problems are reducible to personal problems. If you solve those, you automatically take care of community problems.”

Archbishop P Hannan

## Going Deeper

In what ways are you able to 'mediate between faith and culture' for your students? How are you able to bring the Gospel into their experience of life?

[illegible]

*This week spend a few minutes learning about the relationship between the Gospel and culture. Do a search for John Paul II's document Fides et Ratio and try and find a few key quotes. What does he want us to understand about the relationship between faith and reason, between the Gospel and our modern scientific culture?*

“Moral principles do not depend on a majority vote. Wrong is wrong, even if everybody is wrong. Right is right, even if nobody is right.”

Archbishop Fulton Sheen
