Try and find a quiet place such as the school chapel and, after watching the video, capture your thoughts on the following questions:

Q# 1

What impact has faith in Jesus had in your life? Why is it important to you? How has it made a difference in your life?

[illegible]

“The trouble is that everyone talks about reforming others and no one thinks about reforming himself.”

Q# 2

Can you think of any ways in which you could use this answer to witness effectively to your students?

Going Deeper

What do you think is the most important element in witnessing to young people as a Catholic teacher. What do teachers need to have or do to make them effective witnesses of faith in God?

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

This week, reflect on what answers you can give for why you have faith in Jesus. It doesn't need to be thrilling or exciting but it needs to be sincere and honest. Think about the most effective ways that you can exhibit your faith to your students. Remember that God longs to use you to witness his love to other people.

“Have patience with all things, but chiefly have patience with yourself. Do not lose courage in considering your own imperfections but instantly set about remedying them—every day begin the task anew.”
