## *Going Deeper*

Try and find a quiet place such as the school chapel and, after watching the video, capture your thoughts on the following questions:

## Q# 1

Recall a time when your life was negatively impacted by the subjectivism or selfishness of another person? What did you feel?

[illegible]

Q# 2

What has been your experience of subjectivism in the hearts and lives of students? Do you feel it's getting better or worse or is it case-by-case?

“The Christian life is not a constant high. I have my moments of deep discouragement. I have to go to God in prayer with tears in my eyes, and say, 'O God, forgive me,' or 'Help me.'”

–Billy Graham

## Going Deeper

If you could create a simple program or strategy at your school to reduce subjectivism what might you consider trying?

*In class this week take some time to explain and then discuss the issue of subjectivism with your students. If they are very young keep the discussion simple and just focus more upon selfishness or explain to them the risks of only seeing things through our own eyes. Ask them for some examples within your school community where selfishness is a problem. Can they offer any solutions?*

“God does not give us everything we want, but He does fulfil His promises, leading us along the best and straightest paths to Himself.”

Dietrich Bonhoeffer
