

## **Abide: Love One Another**

**Main Scripture:** John 15:9-17; 14:21-23

**Additional Scriptures:** Psa 25:14

### **Discussion Questions**

Love each other. There are four spheres of relating to others: Intimate, Personal, Social, and Public.

- If you are an extrovert, how do you put this into practice? What does loving people "well" mean to you?
- If you or an introvert, how would you describe what this looks like?
- What type of relationships do you have that are extremely healthy to helping you grow closer to Jesus?
- What relationships (if any) do you feel may need to change in your life in order to grow stronger in your faith?

*You may have salvation, but the sad reality is that many are not experiencing heaven right now.*

- Why is this so?
- What does Jesus emphasize about abiding?
- What is the connection between experience and devotion to Jesus?  
Explain how your experiences have helped you grow in your devotion.

*Jesus does not promise to answer all of our questions, but He does promise His love and His presence.*

- How do you handle God not answering your questions or some of the things you have prayed for?
- Why is obeying His commands crucial to abiding in Him? How does that work in your life?

*No longer servants, but called friends.*

- What is the difference between these two roles?
- How does a person receive revelation from God?
- What can you put into practice this week from reflecting on this passage?
