

Hang a Ribbon on the Moon

2015 *Personal Progress* Calendar [Color]

Encourage your Young Women with this 2015 Personal Progress calendar!

This six-by-six-inch calendar fits perfectly in a locker, on a desk or dresser or hanging next to a mirror. The calendar features interactive elements including a plan-for-the-year journaling page. Personal Progress goal areas, favorite scripture page, monthly personal goal areas and a year-in-review evaluation page plus a testimony page. Every month includes spaces for goals, values, quotes and scriptures. If you want to change things up, I've included a bonus blank page and a journal page—customize them and replace one or more of the calendar pages, or include them as additional pages.

Personalize each calendar with optional scrapbooking embellishments, ribbons and buttons and use your choice of papers and card stock for further customization.

Use a Zutter Bind-It-All, Cerlox, stapler, ribbons or rings to bind each calendar. For the standing version, the Zutter or Cerlox methods with chipboard covers are recommended. NOTE: If you want to use chipboard covers, make sure you have a way to punch holes in them (Zutter or Crop-A-Dile).

This interactive PDF makes it easy to customize the goal pages. Simply type your own monthly values, goals, quotes and scriptures in the text fields.
