

About Tabbedout

Tabbedout is a merchant marketing and mobile payment solution built specifically for the hospitality industry and is seamlessly integrated with the Harbortouch Hospitality POS system. Tabbedout gives merchants the opportunity to enhance the guest experience by improving efficiency for the staff and providing customer engagement and rewards through the Periscope marketing tool.

Merchant Benefits

-  **MORE SALES**
Spend more time serving food and drinks instead of closing out checks.
-  **MORE LOYALTY**
Give guests VIP treatment with access to their preferences and personalized Offers.
-  **MORE SECURITY**
Forget about walked tabs. Verified payment is collected up front.
-  **MORE TIPS**
Always get tipped – merchants can set minimum tip percentages in the app.

Consumer Benefits

-  **MORE CONVENIENCE**
No more lines, no more waiting – just pay the tab when ready!
-  **MORE CONTROL**
Track check details in real time and easily split tabs with friends.
-  **MORE SECURITY**
No more handing a credit card to a stranger or leaving the card at the bar.
