

# Bibliography of Non-Traditional Resources on Artificial Intelligence

## Bibliography of Non-Traditional Resources on Artificial Intelligence

The Sedona Conference on AI and the Law, Part 1: AI and Civil Litigation

April 4-5, 2024

Session 1: “What AI Is (And Isn’t)”

Question: “Panel, where do you turn for current news and developments in the world of AI?”

NIST, [Trustworthy and Responsible AI Resource Center](#)

European Commission, [EU AI Act: Shaping Europe’s Digital Future](#)

National Conference of State Legislatures, [Approaches to Regulating Artificial Intelligence: A Primer](#)

U.C. Berkley, [AI Risk-Management Standards Profile for General-Purpose AI Systems \(GPAIS\) and Foundation Models](#)

Cornell University, [Arxiv.org](#) (navigate to computer science section, search some combination of [AI Term] and [Industry] within last month)

[Slashdot.org](#) (interesting issues regarding AI and policy)

[Medium](#) (a number of short articles/blogs written by ambitious grad students)

<https://www.judgeschlegel.com/blog/-a-call-for-education-over-regulation-an-open-letter> (open letter urging courts to refrain from adopting AI orders)

<https://www.judgeschlegel.com/blog> (self-explanatory)

<https://www.judgeschlegel.com/deepfakes> (self-explanatory)

<https://open.spotify.com/episode/5WmjA94utGdZYyx78evb8B?si=9c5fc4423e2b489c> (example of the Hard Fork podcast, which has been dealing with AI in most of its recent episodes, covering not just the tech and the regulatory response but the power struggles in Silicon Valley over who controls the bigger players)
