### Expert Reviews:

Edmunds.com: Compared to the competition, the 2014 Ford F-250 Super Duty line is remarkably quiet at highway speeds.

newCarTestDrive.com: Their bold, broad exteriors are backed up by cabs that are attractive, functional and comfortable.

KBB.com: The stiffer the chassis, the less prone to flexing and twisting, helping the Super Duty not only accomplish its towing and hauling tasks, but keeping to a minimum the number of squeaks and rattles that develop in the cabin over time.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
