Expert Reviews:

Edmunds.com: Roomy and quiet interior; cushy ride; huge trunk.

KBB.com: With seating for six, a powerful V8 engine and more electronic gadgets than you can shake a stick at, the DTS may well be worth its \$50,000 asking price, proving value, like beauty, is truly in the eye of the beholder.

CarAndDriver.com: V-8 muscle, capacious cabin and trunk, looks like the presidential limo, soft seats, soft ride, soft everything.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
