Edmunds.com: The 2013 Chrysler Town & Country offers a strong engine, confident handling and a well-trimmed cabin.

KBB.com: If you haven't driven a Town & Country since its transformation in 2011, it's worth some time behind the wheel. The revamped suspension provides excellent road manners, with precise steering, minimal body roll and a velvety ride.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
