Expert Reviews:

Edmunds.com: Standard safety features include front-seat side-impact airbags as well as full-length head curtain airbags. The head airbags include a "roll-fold" feature that helps to keep the airbag against the glass even if the occupant is out of position.

KBB.com: With its bold waterfall grille, jewel-like quad projector-beam headlamps, judicious use of chrome trim and low-profile tires on 17-inch, eight-spoke machined aluminum wheels, the Lincoln MKZ certainly looks the part of a credible mid-size luxury sedan.

ConsumerReports.org: The new 263-hp, 3.5-liter V6 is refined and strong, delivering 20 mpg on regular fuel, unlike some others in this group that require premium. The six-speed automatic transmission shifts smoothly.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle.
