

NETWORKING GROUPS

Here's a list of Facebook groups that are great for learning, networking and promoting. Some of these groups are strictly for networking while most are for just straight JV "here's my launch" posting.

NETWORKING / LEARNING GROUPS

IM Super Friends (The biggest & best group for internet marketing networking) Warning: DO NOT POST JV POSTS IN THIS GROUP!!! It is strictly for learning and networking. Nearly everyone who's anyone in the IM space lives here. <https://www.facebook.com/groups/imsuperfriends>

WarriorPlus Official

This is a GREAT place to go to for solid advice. Good people here (don't spam):
