

**Private Invite: Would You
Like A Private Invitation To
Become A Certified Law Of
Attraction Practitioner, Make
Money Helping Other
People... And Get It At An
Investment That Almost No
One Knows About?**

From The Desk Of Dr. Joe Vitale
Wimberly, TX

Dear Friend,

I've released a lot of programs in my 30 year career.

By far, one of my most revered courses is the Law of Attraction Practitioner Certification.

This certification is based on my 30 years helping other people... and gaining my own

financial freedom doing it. It's the best feeling in the world.

That's why this certification is perfect for everyone.

Whether you're looking to find new, meaningful ways to make money.

Or whether you simply want to master the Law of Attraction for your own life...

Either way that doesn't matter.

What does matter is the fact that you were one of the few people that chose not to invest in the program.

No biggie. I get it.

Maybe you didn't have the money at the time.
It's happened to the best of us.

Well Here's A Chance To Take Advantage
Of An Exclusive Opportunity That Probably
Won't Come Around Again Anytime Soon.

I'm now in the process of creating a
“focus group” where I basically give a
group of people the program for over
96% off the list price.

To sum that up...

The list price of the program is \$675.

That's the price the general public pays for it.

And you've maybe seen that I've been offering it at a discount already.

But I'm asking a select few to go through the program, put it to use, and send me their results.

As Part Of This Focus
Group You Can Have
Access To It For A
Price Of...

Just \$10

That's an extra \$665 off the normal price.

There's just one catch.

All I ask is that you take the 6 months to dive into the material and begin putting it to you use in your life.

Then send me a short description of what approach you used and how it worked.

Two sentences max. The goal for you should be really simple.

Use it to drastically improve your own life, use it to create a new stream of income, use it to help other people.

Pretty simple and straight to the point.

If you want in, you must use this special invitation link (only a minimal number of spots available)

<http://www.loatraining.com/confidential.html>

This page will look alot like the regular page but with special pricing.

But whatever you do, please DO NOT share this with anyone.

PS - I'm only taking a small crowd of people into this group so you need to decide now whether or not this is something you want.
